“DISADVANTAGED STUDENTS OVERCOMING THE DISASTERS”
2021-1-LT01-KA220-SCH-000031550

TRAINING OF THE TRAINERS

21 -27 June, 2023
ACNNT, ROMANIA

- ✦ *It is a short-term training event for staff in special and regular schools (educators, psychologists, social workers etc.), who will come to act as the educator's mentors in the area of different formal and non-formal educational training.*
- ✦ *This will develop their competence to deliver the best training courses for using create IT tool in the area of disaster risk management.*
- ✦ *In this training, trainers from all project partners will gain knowledge and skills from the program which will increase the sustainability of the project.*
- ✦ *The educators who will be trained will offer workshops for other educators (staff in school and other stakeholders) in their own countries. The transnational learning course will represent a moment for a meeting, learning and sharing ideas and making a mid-term evaluation on the project's results as well for the partners.*
